Subject: Re: CZARA litigation discussion

I'm sorry about the late notice on this and the fact it's so late in the day. This was the only time that worked for DEQ folks for a TMDL litigation discussion we originally planned to have. We ended up adding CZARA as another issue, so this was the only time that worked for other deadlines we're trying to meet. Dave C and I are also now meeting with Nina at 1pm on Monday. I don't know if we have an agenda yet, but maybe that's something that could be discussed at tomorrow's am meeting. (b) (6)

(b) (6) I won't be on the phone tomorrow, but perhaps you all might be talking about this.

Sorry not to be able to make this meeting earlier. Jayne, I worked with Claudia Taylor at DEQ, Greg's admin, should you need to make arrangements.

Jenny--

Any way we can move this earlier in the day? (b) (6)

This meeting is to talk about the CZARA litigation and plan for the May 1 meeting. We'll be working out the details with you on the agenda and who should be at this meeting.

Please send Jayne Carlin your thoughts for meeting agendas.
